

TECHNICAL SHEET

INTERMEDIARY SUPPORT EASYFIX 120

Product reference : 03023

EAN code : 3760324604564

3 760324 604564

DESCRIPTION

Reducer of thermal bridges, the Easyfix intermediate support is made of composite material. Consisting of a rod and an adjustable head, it is compatible with F45 and F47 furs. The intermediate support allows the fixing of the insulation on the metal furring.

CHARACTERISTIC

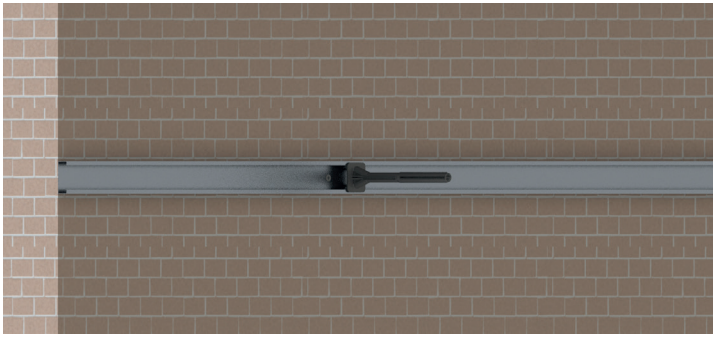

- Thermal bridge reducer
- Easy installation
- Compatible to 45 mm and 47 mm wide furs
- Possibility to adjust the length of the support rod with pliers if necessary
- Modular for direct installation on an irregular wall

OUR ADVANTAGES

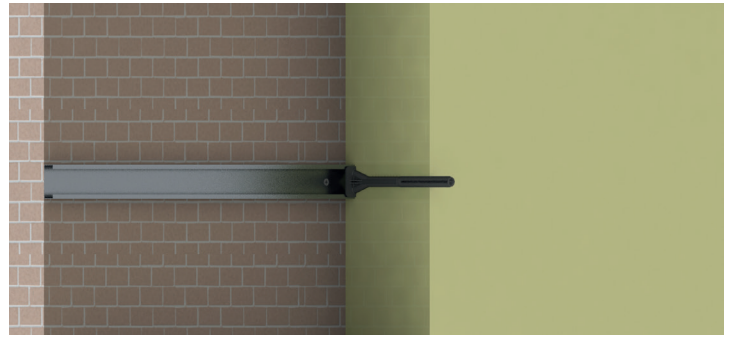

- Precise and fast adjustment
- Easy to use
- Robustness
